SCHOLARSHIP INFORMATION

The following are the suggested ways to receive scholarship money for this trip. The price of the trip is \$1795 USD.

- (1) Contact your local Jewish Federation which offers scholarship money for students going to Israel. Find out how much they offer and apply for that scholarship. Some federations only grant 500 dollars while others grant upwards to 2000 dollars.
- (2) Contact your local Jewish education center or local day school, many of which offer money for students to attend trips to Israel.
- (3) Research your own scholarship opportunities within the community you live. Many people have scholarship funds for students to go to Israel.
- (4) Contact local clubs or youth groups to find out about the scholarship money they offer.
- (5) Finally, contact us in order to find out more about the scholarship connections we have. Please try to exhaust all other options listed above before proceeding to this step as we also have a limited amount of scholarships to offer. However, if you have not exhausted all other options, do contact us.
